Newark, Ohio – November 10, 2021

Licking/Knox Goodwill Industries, Inc. CEO/President, Timothy J. Young, is pleased to announce the opening of the organization's Business Services facility.

The new building, located at 171 O'Neill Drive, Hebron, Ohio, will house several new assembly contracts and serve as a home base for the organization's Business Services Division. This division provides contract janitorial and other services to many state and federal locations as well as the private sector. Licking/Knox Goodwill has seen a recent surge in requests for assembly and fabrication work. "The new contracts we have acquired has created over 25 new jobs. We are proud to be able to offer a comfortable and accommodating work environment to the individuals working these contracts." The building features an over 55,000 square foot warehouse with additional office space for Goodwill's contract managers.
