### Newark, Ohio – September 3, 2020

Timothy J. Young, CEO/President for Licking/Knox Goodwill Industries, Inc. announced and broke ground on construction of Goodwill at the Lake on September 2, 2020.

Timothy J. Young, CEO/President and James Hobson, Board Chairperson, break ground on construction of Goodwill at the Lake.

Nearly 10 years ago, Licking/Knox Goodwill opened their current retail store in Buckeye Lake. “The location has served us well. As the Buckeye Lake community has grown, so has Goodwill, and we are excited for this to be our first new build retail location,” said Mr. Young. The current retail store will be demolished near the end of September in preparation for the new 14,000 square foot building.

The fun loving nature of Buckeye Lake has inspired a wide selection of merchandise within the location, including fishing equipment both new and thrift plus additional sporting goods. With this build, Licking/Knox Goodwill will be creating new jobs, opportunities, and business ventures including growth to the Buckeye Lake area. This location will not only be home to Goodwill but also will offer new storefronts and create a pleasing entrance to the lake.

For additional information about Licking/Knox Goodwill, please contact Lisa Baker, Vice President of Communications, at (740) 345-9861.
