Newark, Ohio – November 14, 2016

Licking/Knox Goodwill Industries, Inc. will be hosting a Craft Show at The Grove by the River on November 19, 2016 from 9:00 am – 4:00 pm. Proceeds from the show will benefit the Goodwill GoodGuides Youth Mentoring Program.

The GoodGuides Youth Mentoring Program is a self-funded initiative of Licking/Knox Goodwill. GoodGuides focuses on keeping youth ages 12-18 enrolled in school and on a path to graduation. "GoodGuides is a successful and well established program in the community," said Timothy J. Young, CEO/President of Licking/Knox Goodwill Industries, Inc. "In an effort to preserve the core values of the program, we have elected to self-fund the operational expenses of the program while seeking additional donations and funding for special activities and instructional supplies." The GoodGuides Youth Mentoring Program was established in 2010, primarily serving Newark City Schools students. "It is our hopes that this craft show will provide the program with some additional funding to support their actives as they hope to educate their participants on bullying awareness during the current school year," said Mr. Young.

The craft show will feature nearly 50 vendors who will be selling homemade items. Additionally, GoodGuides was fortunate enough to receive donations from nearly 50 local businesses to provide raffle prizes. The Grand Raffle prizes include a free stay at the Hampton Inn, auto detailing services from Heath-Newark Car Care, one hour of cleaning from Merry Maids, a horse carriage ride from All Occasions Horse Carriage Rides, auto detailing from Night & Day Auto Detailing, and a season camping pass to The Grove by the River.

For additional information, please contact Lisa Baker, Vice President of Communications at (740) 345-9861. Licking/Knox Goodwill Industries, Inc. is a 501(c)(3) non-profit, CARF Accredited agency, providing training, employment, and support services for individuals with disabilities or other barriers to employment.
