### Newark, Ohio – November 9, 2016

Licking/Knox Goodwill Industries, Inc. CEO/President, Timothy J. Young, announced today the purchase of the former Farm and Garden building at 16482 Village Parkway in Fredericktown, Ohio. The new facility will be known as Goodwill Plus. This location will carry the same great items as our other nine stores. It will also feature a wide selection of Unlimited Bargains and specialty items like birdseed and propane refills. Hundreds of your favorite thrift store items will be put on the sales floor daily.

Goodwill is excited to be offering a new location in the Knox county community. "We have searched several years for the perfect location," said Mr. Young. The latest store will mark Goodwill's 10th location and will create 12 new jobs in Fredericktown. We anticipate Goodwill Plus to open in January 2017. Hiring for the new location will begin in December with a formal job fair to be announced later this month.
