

16.30 Ancillary Services

(E.g. Speech and Hearing, Physical/Occupational Therapy,
Vocational Evaluation, Psychological Services, Advocacy, etc.)

Policy:

It is the policy of Licking/Knox Goodwill Industries, Inc. to refer participants to appropriate providers for services not offered through the agency.

Procedure:

Appropriate providers will be researched and referrals made once a Career Services staff member determines whether a participant could benefit from ancillary services such as speech, hearing, physical or occupational therapy, vocational evaluation or psychological services.

Agencies that are a part of the United Way system will also be utilized for participants who need advocacy, family counseling, etc. The Career Services Department and/or the Human Resource Department will provide a current directory of these services.
